AgRP/ART Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG                                                                                                                       |
| Conjugate                   | Janelia Fluor 646                                                                                                         |
| Purity                      | Antigen Affinity-purified                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                        |
| Product Description         |                                                                                                                           |
| Host                        | Goat                                                                                                                      |
| Gene ID                     | 181                                                                                                                       |
| Gene Symbol                 | AGRP                                                                                                                      |
| Species                     | Mouse                                                                                                                     |
| Specificity/Sensitivity     | Detects mouse AgRP in direct ELISAs.                                                                                      |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse AgRP/ART Val25-Thr131<br>Accession # P56473 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                     |
| Product Application Details |                                                                                                                           |
| Applications                | Immunohistochemistry                                                                                                      |
| Recommended Dilutions       | Immunohistochemistry                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
