| Isotype                     | IgG                                                                                                                                                                                                                                                                                               |
| Conjugate                   | mFluor Violet 610 SE                                                                                                                                                                                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                                                                                                   |
| Host                        | Goat                                                                                                                                                                                                                                                                                              |
| Gene ID                     | 3606                                                                                                                                                                                                                                                                                              |
| Gene Symbol                 | IL18                                                                                                                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects the pro region of human IL-18/IL-1F4 in direct ELISAs and Western blots. In these formats, approximately 5% cross-reactivity with mature recombinant human IL-18 is observed and less than 1% cross-reactivity with mature recombinant mouse IL-18 and recombinant rat IL-18 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human IL-18/IL-1F4                                                                                                                                                                                                                                            |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                                                             |
| Product Application Details |                                                                                                                                                                                                                                                                                                   |
| Applications                | Western Blot, Knockout Validated                                                                                                                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                                                                                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                            |
