E-Cadherin Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                 |
| Storage                     | Store at 4C in the dark.                                                                                    |
| Clonality                   | Polyclonal                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                          |
| Isotype                     | IgG                                                                                                         |
| Conjugate                   | Janelia Fluor 669                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                          |
| Product Description         |                                                                                                             |
| Host                        | Goat                                                                                                        |
| Gene ID                     | 999                                                                                                         |
| Gene Symbol                 | CDH1                                                                                                        |
| Species                     | Human, Mouse                                                                                                |
| Specificity/Sensitivity     | Detects human E-Cadherin in direct ELISAs and Western blots.                                                |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human E-Cadherin Asp155-Ile707<br>Accession # P12830        |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                       |
| Product Application Details |                                                                                                             |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready, Dual RNAscope ISH-IHC, Immunocytochemistry |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunocytochemistry, CyTOF-ready, Dual RNAscope ISH-IHC |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                      |
