Dimethylarginine Dimethylaminohydrolase 1/DDAH1 Antibody [Janelia Fluor® 525]

| Product Information         |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                    |
| Storage                     | Store at 4C in the dark.                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                             |
| Isotype                     | IgG                                                                                                                            |
| Conjugate                   | Janelia Fluor 525                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                             |
| Product Description         |                                                                                                                                |
| Host                        | Sheep                                                                                                                          |
| Gene ID                     | 23576                                                                                                                          |
| Gene Symbol                 | DDAH1                                                                                                                          |
| Species                     | Human                                                                                                                          |
| Specificity/Sensitivity     | Detects human Dimethylarginine Dimethylaminohydrolase 1/DDAH1 in direct ELISAs.                                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Dimethylarginine Dimethylaminohydrolase 1/DDAH1<br>Ala2-Ser285<br>Accession # O94760 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                          |
| Product Application Details |                                                                                                                                |
| Applications                | Immunohistochemistry                                                                                                           |
| Recommended Dilutions       | Immunohistochemistry                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                         |
