| Clonality                   | Polyclonal                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                   |
| Conjugate                   | DyLight 650                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                    |
| Product Description         |                                                                                                                                                       |
| Host                        | Sheep                                                                                                                                                 |
| Gene ID                     | 6383                                                                                                                                                  |
| Gene Symbol                 | SDC2                                                                                                                                                  |
| Species                     | Mouse                                                                                                                                                 |
| Specificity/Sensitivity     | Detects mouse Syndecan-2/CD362 in direct ELISAs. In direct ELISAs, less than 1% cross-reactivity with recombinant human Syndecan-2/CD362 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Syndecan-2/CD362 Glu19-Phe141<br>Accession # P43407                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                     |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                                                       |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                |
