| Purity                      | Antigen Affinity-purified                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                 |
| Product Description         |                                                                                                                                                    |
| Host                        | Sheep                                                                                                                                              |
| Gene ID                     | 3929                                                                                                                                               |
| Gene Symbol                 | LBP                                                                                                                                                |
| Species                     | Mouse                                                                                                                                              |
| Specificity/Sensitivity     | Detects mouse LBP in direct ELISAs and Western blots. In direct ELISAs, approximately 25% cross-reactivity with recombinant human LBP is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse LBP<br>Gly25-Val481 (Ser102Arg, Tyr284His)<br>Accession # NP_032515                          |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                  |
| Product Application Details |                                                                                                                                                    |
| Applications                | Western Blot                                                                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                             |
