| Purity                      | Antigen Affinity-purified                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                            |
| Product Description         |                                                                                                                                                                |
| Host                        | Sheep                                                                                                                                                          |
| Gene ID                     | 22795                                                                                                                                                          |
| Gene Symbol                 | NID2                                                                                                                                                           |
| Species                     | Mouse                                                                                                                                                          |
| Specificity/Sensitivity     | Detects mouse Nidogen-2 in direct ELISAs and Western blots. In direct ELISAs, approximately 25% cross-reactivity with recombinant human Nidogen-2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Nidogen-2<br>Leu31-Lys1403<br>Accession # NP_032721                                                      |
| Product Application Details |                                                                                                                                                                |
| Applications                | Western Blot                                                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                         |
