| Clonality                   | Polyclonal                                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                                                                         |
| Conjugate                   | FITC                                                                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                             |
| Host                        | Sheep                                                                                                                                                                                                       |
| Gene ID                     | 128209                                                                                                                                                                                                      |
| Gene Symbol                 | KLF17                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human KLF17 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) KLF1, rhKLF2, rhKLF4, rhKLF5, rhKLF6, rhKLF10, and rhKLF12 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human KLF17<br>Met1-Gln228<br>Accession # Q5JT82                                                                                                                        |
| Product Application Details |                                                                                                                                                                                                             |
| Applications                | Western Blot                                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                      |
