| Storage                     | Store at 4C in the dark.                                                                                                                                                                         |
| Clonality                   | Polyclonal                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                              |
| Conjugate                   | FITC                                                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                  |
| Host                        | Goat                                                                                                                                                                                             |
| Gene ID                     | 3569                                                                                                                                                                                             |
| Gene Symbol                 | IL6                                                                                                                                                                                              |
| Species                     | Porcine                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects porcine IL-6 in ELISAs and Western blots. In sandwich ELISAs, less than 0.3% cross-reactivity with recombinant human IL-6, recombinant mouse IL-6, and recombinant rat IL-6 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant porcine IL-6<br>Pro29-Met212<br>Accession # P26893                                                                                                           |
| Product Application Details |                                                                                                                                                                                                  |
| Applications                | Western Blot, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair), Neutralization                                                      |
| Recommended Dilutions       | Western Blot, ELISA Standard (Matched Pair), Neutralization, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                           |
