| Conjugate                   | DyLight 550                                                                                                                                                                                       |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                   |
| Host                        | Sheep                                                                                                                                                                                             |
| Gene ID                     | 5063                                                                                                                                                                                              |
| Gene Symbol                 | PAK3                                                                                                                                                                                              |
| Species                     | Human, Mouse                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human PAK3 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) PAK1, rhPAK1B, rhPAK2, rhPAK4, rhPAK6, and rhPAK7 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human PAK3 Leu138-Gln255 Accession # O75914                                                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
