| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Polyclonal                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG                                                                                             |
| Conjugate                   | PerCP                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                       |
| Buffer                      | PBS                                                                                             |
| Product Description         |                                                                                                 |
| Host                        | Goat                                                                                            |
| Gene ID                     | 7124                                                                                            |
| Gene Symbol                 | TNF                                                                                             |
| Species                     | Porcine                                                                                         |
| Specificity/Sensitivity     | Detects porcine TNF $\alpha$ in direct ELISAs and Western blots.                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant porcine TNF- $\alpha$<br>Arg78-Leu232<br>Accession # P23563 |
| Product Application Details |                                                                                                 |
| Applications                | Western Blot, Immunocytochemistry, Neutralization                                               |
| Recommended Dilutions       | Western Blot, Neutralization, Immunocytochemistry                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
