| Host                        | Sheep                                                                                                                                                                                                                                 |
| Gene ID                     | 973                                                                                                                                                                                                                                   |
| Gene Symbol                 | CD79A                                                                                                                                                                                                                                 |
| Species                     | Mouse                                                                                                                                                                                                                                 |
| Specificity/Sensitivity     | Detects mouse CD79A in direct ELISAs and Western blots. In direct ELISAs, approximately 20% cross-reactivity with recombinant human CD79A is observed.                                                                                |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant mouse CD79A Leu29-Arg137<br>Accession # P11911                                                                                                                                |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot                                                                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
