| Clonality                   | Polyclonal                                                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                                      |
| Conjugate                   | Janelia Fluor 549                                                                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                          |
| Host                        | Sheep                                                                                                                                                                                                                    |
| Gene ID                     | 83706                                                                                                                                                                                                                    |
| Gene Symbol                 | FERMT3                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects human FERMT3 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human (rh) FERMT2 is observed and less than 1% cross-reactivity with rhFERMT1 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FERMT3<br>Ala498-Phe667<br>Accession # Q86UX7                                                                                                                                  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                          |
| Applications                | Western Blot                                                                                                                                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                   |
