| Gene ID                     | 4745                                                                                                                                                                                                                                   |
| Gene Symbol                 | NELL1                                                                                                                                                                                                                                  |
| Species                     | Mouse                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects mouse NELL1 in direct ELISAs and Western blots. In direct ELISAs, approximately 25% cross-reactivity with recombinant human NELL1 is observed and approximately 10% cross-reactivity with recombinant mouse NELL2 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant mouse NELL1 Arg17-Asn810<br>Accession # Q2VWQ2                                                                                                                                 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                 |
