BTN3A1/2/3 Antibody [Biotin]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Polyclonal                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG                                                                                                     |
| Conjugate                   | Biotin                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                               |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Sheep                                                                                                   |
| Gene ID                     | 11119                                                                                                   |
| Gene Symbol                 | BTN3A2                                                                                                  |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human BTN3A1, BTN3A2 and BTN3A3 in direct ELISAs and Western blots.                             |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human BTN3A2 Gln30-Trp248<br>Accession # P78410 |
| Product Application Details |                                                                                                         |
| Applications                | Western Blot                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
