**AF7284I**

Ets-1 Antibody [Janelia Fluor® 549]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                     | Store at 4C in the dark.                                                                                   |
| Clonality                   | Polyclonal                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG                                                                                                        |
| Conjugate                   | Janelia Fluor 549                                                                                          |
| Purity                      | Antigen Affinity-purified                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                         |
| Product Description         |                                                                                                            |
| Host                        | Sheep                                                                                                      |
| Gene ID                     | 2113                                                                                                       |
| Gene Symbol                 | ETS1                                                                                                       |
| Species                     | Human, Mouse, Rat                                                                                          |
| Specificity/Sensitivity     | Detects human, mouse, and rat Ets-1 in Western blots and detects recombinant human Ets-1 in direct ELISAs. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Ets-1<br>Glu127-Val230<br>Accession # P14921                     |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                      |
| Product Application Details |                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry                                                                         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
