EMP/MAEA Antibody [DyLight 550]

| Product Information         |                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                  |
| Storage                     | Store at 4C in the dark.                                                                                     |
| Clonality                   | Polyclonal                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                           |
| Isotype                     | IgG                                                                                                          |
| Conjugate                   | DyLight 550                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                           |
| Product Description         |                                                                                                              |
| Host                        | Sheep                                                                                                        |
| Gene ID                     | 10296                                                                                                        |
| Gene Symbol                 | MAEA                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                            |
| Specificity/Sensitivity     | Detects human, mouse and rat EMP/MAEA in Western blots. Detects recombinant human EMP/MAEA in direct ELISAs. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human EMP/MAEA<br>Met12-Ser66<br>Accession # Q7L5Y9                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                            |
| Product Application Details |                                                                                                              |
| Applications                | Western Blot, Immunocytochemistry                                                                            |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                       |
