PUM2 Antibody [FITC]

| Product Information         |                                                                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                     |
| Storage                     | Store at 4C in the dark.                                                                                                                        |
| Clonality                   | Polyclonal                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                              |
| Isotype                     | IgG                                                                                                                                             |
| Conjugate                   | FITC                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                       |
| Buffer                      | PBS                                                                                                                                             |
| Product Description         |                                                                                                                                                 |
| Host                        | Sheep                                                                                                                                           |
| Gene ID                     | 23369                                                                                                                                           |
| Gene Symbol                 | PUM2                                                                                                                                            |
| Species                     | Human                                                                                                                                           |
| Specificity/Sensitivity     | Detects human PUM2 in direct ELISAs and Western blots. In direct ELISAs, less than 4% cross-reactivity with recombinant human PUM1 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human PUM2<br>Pro103-Gly250<br>Accession # Q8TB72                                                           |
| Product Application Details |                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                          |
