| Preservative                | 0.05% Sodium Azide                                                                                                                                |
| Isotype                     | IgG                                                                                                                                               |
| Conjugate                   | DyLight 350                                                                                                                                       |
| Purity                      | Antigen Affinity-purified                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                |
| Product Description         |                                                                                                                                                   |
| Host                        | Goat                                                                                                                                              |
| Gene ID                     | 923                                                                                                                                               |
| Gene Symbol                 | CD6                                                                                                                                               |
| Species                     | Mouse                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse CD6 in direct ELISAs and Western blots. In Western blots, approximately 1% cross-reactivity with recombinant human CD6 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse CD6<br>Leu18-Gly396<br>Accession # Q91WN5                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                 |
| Product Application Details |                                                                                                                                                   |
| Applications                | Western Blot, Adhesion Blockade                                                                                                                   |
| Recommended Dilutions       | Western Blot, Adhesion Blockade                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                            |
