Caspr1 Antibody [FITC]

| Product Information         |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                       |
| Storage                     | Store at 4C in the dark.                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG                                                                                                                               |
| Conjugate                   | FITC                                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                         |
| Buffer                      | PBS                                                                                                                               |
| Product Description         |                                                                                                                                   |
| Host                        | Sheep                                                                                                                             |
| Gene ID                     | 8506                                                                                                                              |
| Gene Symbol                 | CNTNAP1                                                                                                                           |
| Species                     | Human                                                                                                                             |
| Specificity/Sensitivity     | Detects human Caspr1 in direct ELISAs. In direct ELISAs, less than 1% cross-reactivity with recombinant human Caspr2 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Caspr1 Trp20-Gly1280<br>Accession # P78357                          |
| Product Application Details |                                                                                                                                   |
| Applications                | Immunohistochemistry                                                                                                              |
| Recommended Dilutions       | Immunohistochemistry                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
