| Purity                      | Antigen Affinity-purified                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                    |
| Product Description         |                                                                                                                                                       |
| Host                        | Sheep                                                                                                                                                 |
| Gene ID                     | 8685                                                                                                                                                  |
| Gene Symbol                 | MARCO                                                                                                                                                 |
| Species                     | Human                                                                                                                                                 |
| Specificity/Sensitivity     | Detects human MARCO in direct ELISAs and Western blots. In direct ELISA, approximately 10% cross-reactivity with recombinant mouse MARCO is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human MARCO Met79-Val520<br>Accession # Q9UEW3                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                     |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot                                                                                                                                          |
| Recommended Dilutions       | Western Blot                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                |
