| Host                        | Sheep                                                                                                                                                                                                                                 |
| Gene ID                     | 10972                                                                                                                                                                                                                                 |
| Gene Symbol                 | TMED10                                                                                                                                                                                                                                |
| Species                     | Human, Mouse                                                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human and mouse in direct ELISAs and Western blots.                                                                                                                                                                           |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Tmp21/p23<br>Ile32-Arg185<br>Accession # P49755                                                                                                                                             |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
