Afadin/AF-6 Antibody [FITC]

| Product Information         |                                                                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                    |
| Clonality                   | Polyclonal                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                          |
| Isotype                     | IgG                                                                                                                                                         |
| Conjugate                   | FITC                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                         |
| Product Description         |                                                                                                                                                             |
| Host                        | Sheep                                                                                                                                                       |
| Gene ID                     | 4301                                                                                                                                                        |
| Gene Symbol                 | AFDN                                                                                                                                                        |
| Species                     | Human                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human Afadin/AF-6 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human METTL-11A is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Afadin/AF-6 Asn217-Pro392 Accession # P55196                                                                      |
| Product Application Details |                                                                                                                                                             |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                      |
