| Host                        | Goat                                                                                                                                                                                                                                                                                                                         |
| Gene ID                     | 3561                                                                                                                                                                                                                                                                                                                         |
| Gene Symbol                 | Il2rg                                                                                                                                                                                                                                                                                                                        |
| Species                     | Mouse                                                                                                                                                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects mouse Common $\gamma$ Chain/IL-2 R $\gamma$ in direct ELISAs and Western blots. In Western blots, approximately 5% cross-reactivity with recombinant human (rh) IL-2 R $\gamma$ is observed and less than 1% cross-reactivity with rhIL-2 R $\alpha$ , recombinant mouse IL-2 R $\beta$ , and rhIL-15 R is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse Common $\gamma$ Chain/IL-2 R $\gamma$<br>Ser25-Ala263<br>Accession # Q3UPA9                                                                                                                                                                    |
