Ubiquilin 1 Antibody [DyLight 405]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Polyclonal                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG                                                                                          |
| Conjugate                   | DyLight 405                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                           |
| Product Description         |                                                                                              |
| Host                        | Sheep                                                                                        |
| Gene ID                     | 29979                                                                                        |
| Gene Symbol                 | UBQLN1                                                                                       |
| Species                     | Human                                                                                        |
| Specificity/Sensitivity     | Detects human Ubiquilin 1 in direct ELISAs and Western blots.                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Ubiquilin 1<br>Arg546-Gly585<br>Accession # Q9UMX0 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.            |
| Product Application Details |                                                                                              |
| Applications                | Western Blot                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
