| Gene ID                     | 10499                                                                                                                                                                                                                               |
| Gene Symbol                 | NCOA2                                                                                                                                                                                                                               |
| Species                     | Human                                                                                                                                                                                                                               |
| Specificity/Sensitivity     | Detects human NCOA2 in direct ELISAs and Western blots. In direct ELISAs, approximately 30% cross-reactivity with recombinant human (rh) NCOA1 is observed, and less than 1% cross-reactivity with rhNCOA4 and rhNCOA6 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human NCOA2<br>Phe1090-Leu1247<br>Accession # Q15596                                                                                                                                            |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                                     |
| Applications                | Western Blot                                                                                                                                                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                              |
