**AF8036H**

S5a/Angiocidin Antibody [HRP]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Polyclonal                                                                                    |
| Preservative                | No Preservative                                                                               |
| Isotype                     | IgG                                                                                           |
| Conjugate                   | HRP                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                     |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Sheep                                                                                         |
| Gene ID                     | 5710                                                                                          |
| Gene Symbol                 | PSMD4                                                                                         |
| Species                     | Human, Mouse                                                                                  |
| Specificity/Sensitivity     | Detects human and mouse S5a/Angiocidin in Western blots.                                      |
| Immunogen                   | <i>E. coli</i> -derived recombinant human S5a/Angiocidin<br>Met1-Lys377<br>Accession # P55036 |
| Product Application Details |                                                                                               |
| Applications                | Western Blot                                                                                  |
| Recommended Dilutions       | Western Blot                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
