uPAR Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                     |
| Storage                     | Store at 4C in the dark.                                                                                                                        |
| Clonality                   | Polyclonal                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                              |
| Isotype                     | IgG                                                                                                                                             |
| Conjugate                   | Janelia Fluor 669                                                                                                                               |
| Purity                      | Antigen Affinity-purified                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                              |
| Product Description         |                                                                                                                                                 |
| Host                        | Goat                                                                                                                                            |
| Gene ID                     | 5329                                                                                                                                            |
| Gene Symbol                 | PLAUR                                                                                                                                           |
| Species                     | Human                                                                                                                                           |
| Specificity/Sensitivity     | Detects human uPAR in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant mouse uPAR is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human uPAR<br>Leu23-Arg303<br>Accession # Q03405                                                |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                           |
| Product Application Details |                                                                                                                                                 |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation, Blockade of Receptor-ligand Interaction                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation, Blockade of Receptor-ligand Interaction                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                          |
