| Conjugate                   | DyLight 405                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                                                    |
| Product Description         |                                                                                                                                                       |
| Host                        | Sheep                                                                                                                                                 |
| Gene ID                     | 112939                                                                                                                                                |
| Gene Symbol                 | NACC1                                                                                                                                                 |
| Species                     | Human                                                                                                                                                 |
| Specificity/Sensitivity     | Detects human NAC1 in direct ELISAs and Western Blots. In direct ELISAs, approximately 100% cross-reactivity with recombinant mouse NAC1 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human NAC1<br>Val471-Gln527<br>Accession # Q96RE7                                                                 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                     |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                |
