PGA5 Antibody [DyLight 755]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG                                                                                                      |
| Conjugate                   | DyLight 755                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                       |
| Product Description         |                                                                                                          |
| Host                        | Sheep                                                                                                    |
| Gene ID                     | 5222                                                                                                     |
| Species                     | Human                                                                                                    |
| Specificity/Sensitivity     | Detects human Pepsinogen A5/PGA5 in direct ELISAs and Western blots.                                     |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Pepsinogen A5/PGA5 Met1-Ala388 Accession # P0DJJD7 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                        |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
