RSK1/RSK2 [p Ser221, p Ser227] Antibody [Janelia Fluor® 525]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Polyclonal                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG                                                                                                                   |
| Conjugate                   | Janelia Fluor 525                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                    |
| Product Description         |                                                                                                                       |
| Host                        | Rabbit                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                     |
| Specificity/Sensitivity     | Detects human, mouse, and rat RSK1 when phosphorylated at S221, and human and mouse RSK2 when phosphorylated at S227. |
| Immunogen                   | Phosphopeptide containing human RSK1 S221 site                                                                        |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                 |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry                                                                                    |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
