| <b>Host</b>                        | Goat                                                                                                                                                                                                                                                                                     |
| <b>Gene ID</b>                     | 8751                                                                                                                                                                                                                                                                                     |
| <b>Gene Symbol</b>                 | ADAM15                                                                                                                                                                                                                                                                                   |
| <b>Species</b>                     | Mouse                                                                                                                                                                                                                                                                                    |
| <b>Specificity/Sensitivity</b>     | Detects mouse ADAM15 Ectodomain in direct ELISAs and Western blots. In Western blots (under reducing and non-reducing conditions), no cross-reactivity with the ectodomains of recombinant mouse (rm) ADAM9, rmADAM10, recombinant human (rh) ADAM8, rhADAM15, and rhADAM17 is observed. |
| <b>Immunogen</b>                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse ADAM15 Arg18-Ser694 Accession # O88839                                                                                                                                                                     |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                                        |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                                                          |
| <b>Applications</b>                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                                  |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                                                                                  |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                   |
