p23/PTGES3 Antibody (998327) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 998327                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                   |
|-------------------------|---------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                             |
| Gene ID                 | 10728                                                                                             |
| Species                 | Human, Mouse                                                                                      |
| Specificity/Sensitivity | Detects human p23/PTGES-3 in direct ELISAs. Detects human and mouse p23/PTGES-3 in Western blots. |
| Immunogen               | <i>E. coli</i> -derived recombinant human p/23PTGES-3<br>Gln21-Glu160<br>Accession # Q15185       |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
