**FAB100502A**

Human Kappa Light Chain Antibody (2495C) [Allophycocyanin]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Monoclonal                                                                                                            |
| Clone                       | 2495C                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG                                                                                                                   |
| Conjugate                   | Allophycocyanin                                                                                                       |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                 |
| Buffer                      | PBS                                                                                                                   |
| Product Description         |                                                                                                                       |
| Host                        | Rabbit                                                                                                                |
| Species                     | Human, Primate                                                                                                        |
| Specificity/Sensitivity     | Detects human Ig Kappa Light Chain in direct ELISAs. Detects human and primate Ig Kappa Light Chain in Western blots. |
| Immunogen                   | Human Ig Kappa Light Chain                                                                                            |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot                                                                                                          |
| Recommended Dilutions       | Western Blot                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
