UNC5H3/UNC5C Antibody (200414) [PE]

| Product Information         |                                                                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                         |
| Storage                     | Store at 4C in the dark.                                                                                                                                            |
| Clonality                   | Monoclonal                                                                                                                                                          |
| Clone                       | 200414                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                  |
| Isotype                     | IgG2b                                                                                                                                                               |
| Conjugate                   | PE                                                                                                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                     |
| Host                        | Mouse                                                                                                                                                               |
| Gene ID                     | 8633                                                                                                                                                                |
| Gene Symbol                 | UNC5C                                                                                                                                                               |
| Species                     | Human                                                                                                                                                               |
| Specificity/Sensitivity     | Detects human UNC5H3 in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human UNC5H4 or recombinant rat UNC5H2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human UNC5H3 Ala40-Asp376<br>Accession # O95185                                                                     |
| Product Application Details |                                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                  |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                              |
