## **FAB10114H**

CD68/SR-D1 Antibody (2449C) [HRP]

| CD68/5R-DT Antibody (2449C) [HRP] |   |
|-----------------------------------|---|
| Product Information               |   |
| Unit Size                         | 0.1 ml  |
| Concentration                     | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                           | Store at 4C in the dark.  |
| Clonality                         | Monoclonal  |
| Clone                             | 2449C   |
| Preservative                      | No Preservative   |
| Isotype                           | IgG   |
| Conjugate                         | HRP   |
| Purity                            | 0   |
| Buffer                            | PBS   |
| Product Description               |   |
| Host                              | Rabbit  |
| Gene ID                           | 968   |
| Species                           | Mouse   |
| Specificity/Sensitivity           | Detects mouse CD68 in direct ELISAs.  |
| Immunogen                         | Chinese Hamster Ovary cell line, CHO-derived mouse CD68<br>Asp21-Pro282<br>Accession # P31996 |
| Product Application Details       |   |
| Applications                      | CyTOF-ready, Immunocytochemistry, Intracellular Staining by Flow Cytometry                    |
| Recommended Dilutions             | Intracellular Staining by Flow Cytometry, Immunocytochemistry, CyTOF-ready                    |
| Application Notes                 | Optimal dilution of this antibody should be experimentally determined.                        |
|                                   |   |
