beta-1 Adrenergic R/ADRB1 Antibody (2203D) [PerCP]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 2203D                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG                                                                                              |
| Conjugate                   | PerCP                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Rabbit                                                                                           |
| Gene ID                     | 153                                                                                              |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human $\beta$ <sub>1</sub> Adrenergic R/ADRB1 in direct ELISAs.                          |
| Immunogen                   | Synthetic peptide containing human $\beta$ <sub>1</sub> Adrenergic R/ADRB1<br>Accession # P08588 |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot                                                                                     |
| Recommended Dilutions       | Western Blot                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
