Solanezumab Antibody (2372A) [DyLight 755]

| Product Information         |                                                                                                                                            |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                |
| Storage                     | Store at 4C in the dark.                                                                                                                   |
| Clonality                   | Monoclonal                                                                                                                                 |
| Clone                       | 2372A                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                         |
| Isotype                     | IgG                                                                                                                                        |
| Conjugate                   | DyLight 755                                                                                                                                |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                         |
| Product Description         |                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                     |
| Specificity/Sensitivity     | Detects Solanezumab in Western blots and direct ELISAs. In Western blots, no cross-reactivity with Trastuzumab and Adalimumab is observed. |
| Immunogen                   | Full-length Solanezumab                                                                                                                    |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                          |
| Product Application Details |                                                                                                                                            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                     |
