CD25/IL-2R alpha Antibody (2604B) [HRP]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | 2604B                                                                                             |
| Preservative                | No Preservative                                                                                   |
| Isotype                     | IgG                                                                                               |
| Conjugate                   | HRP                                                                                               |
| Purity                      | Protein A or G purified from cell culture supernatant                                             |
| Buffer                      | PBS                                                                                               |
| Product Description         |                                                                                                   |
| Host                        | Rabbit                                                                                            |
| Gene ID                     | 3559                                                                                              |
| Species                     | Human                                                                                             |
| Specificity/Sensitivity     | Detects human CD25/IL-2R alpha in direct ELISAs.                                                  |
| Immunogen                   | Mouse myeloma cell line, NS0-derived human CD25/IL-2R alpha<br>Glu22-Cys213<br>Accession # P01589 |
| Product Application Details |                                                                                                   |
| Applications                | Western Blot                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
