CD25/IL-2R alpha Antibody (1037230) [PE]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Monoclonal                                                                                               |
| Clone                       | 1037230                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG1                                                                                                     |
| Conjugate                   | PE                                                                                                       |
| Purity                      | Protein A or G purified from cell culture supernatant                                                    |
| Buffer                      | PBS                                                                                                      |
| Product Description         |                                                                                                          |
| Host                        | Mouse                                                                                                    |
| Gene ID                     | 3559                                                                                                     |
| Species                     | Human                                                                                                    |
| Specificity/Sensitivity     | Detects human CD25/IL-2R alpha in ELISA.                                                                 |
| Immunogen                   | Human embryonic kidney cell, HEK293-derived human CD25/IL-2R alpha<br>Glu22-Cys213<br>Accession # P01589 |
| Product Application Details |                                                                                                          |
| Applications                | Neutralization                                                                                           |
| Recommended Dilutions       | Neutralization                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
