HAI-2/SPINT2 Antibody (170317) [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 170317                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                          |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                      |
| Gene ID                 | 10653                                                                                                                    |
| Gene Symbol             | SPINT2                                                                                                                   |
| Species                 | Mouse                                                                                                                    |
| Specificity/Sensitivity | Detects rmHAI-2 in direct ELISAs and Western blots. Less than 5% cross-reactivity was observed with rmHAI-1 and rhHAI-2. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse HAI-2B aa 30-197 (del 37-93)                                       |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
