**FAB1122E**

TROP-2 Antibody (168215) [DyLight 405]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 168215                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 405                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                |
| Gene ID                 | 4070                                                                                               |
| Gene Symbol             | TACSTD2                                                                                            |
| Species                 | Mouse                                                                                              |
| Specificity/Sensitivity | Detects mouse TROP-2 in direct ELISAs and Western blots.                                           |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse TROP-2<br>Ser82-Thr268<br>Accession # Q8BGV3 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                  |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
