GPR116 Antibody (1055815) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1055815                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                        |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                  |
| Gene ID                 | 221395                                                                                                                                                 |
| Species                 | Human                                                                                                                                                  |
| Specificity/Sensitivity | Detects Human GPR116 in Direct ELISAs. In Flow Cytometry, it detects human GPR116 in transfected cells, but not in non-transfected parental cell line. |
| Immunogen               | <i>E. coli</i> -expressed recombinant Human GPR116 extracellular domain.<br>His643-Asn945<br>Accession # Q8IZF2                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry                                                         |
| Recommended Dilutions       | Flow Cytometry                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
