IL-6R alpha Antibody (Hu203) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | Hu203                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------|
| Host                    | Human                                                                                        |
| Gene ID                 | 3570                                                                                         |
| Species                 | Human                                                                                        |
| Specificity/Sensitivity | Detects human IL-6R alpha in direct ELISAs.                                                  |
| Immunogen               | <i>E. coli</i> -derived recombinant human IL-6R alpha<br>Arg387-Arg468<br>Accession # P08887 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry, Blockade of Receptor-ligand Interaction         |
| Recommended Dilutions       | Flow Cytometry, ELISA, Blockade of Receptor-ligand Interaction         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
