| Species                     | Human                                                                                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human Galectin-3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody shows 100% cross-reactivity with recombinant mouse Galectin-3 and no cross-reactivity with rhGalectin-1, -2 -4, -7, or -8. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Galectin-3 Ala2-Ile250<br>Accession # P17931                                                                                                                                                    |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                                                           |
| Applications                | Western Blot                                                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                    |
