CS Citrate Synthase Antibody (1081813) [Janelia Fluor® 525]

| Product Information         |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                    |
| Storage                     | Store at 4C in the dark.                                                                                       |
| Clonality                   | Monoclonal                                                                                                     |
| Clone                       | 1081813                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                             |
| Isotype                     | IgG2a                                                                                                          |
| Conjugate                   | Janelia Fluor 525                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                             |
| Product Description         |                                                                                                                |
| Host                        | Mouse                                                                                                          |
| Gene ID                     | 1431                                                                                                           |
| Species                     | Human                                                                                                          |
| Specificity/Sensitivity     | Detects a synthetic peptide corresponding to residues near amino acid 400 of human CS protein in Direct ELISA. |
| Immunogen                   | Synthetic Peptide Accession # O75390                                                                           |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                          |
| Product Application Details |                                                                                                                |
| Applications                | Immunohistochemistry                                                                                           |
| Recommended Dilutions       | Immunohistochemistry                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                         |
