TREM2 Antibody (2958E) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2958E                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                  |
|-------------------------|----------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                           |
| Gene ID                 | 54209                                                                            |
| Species                 | Human                                                                            |
| Specificity/Sensitivity | Detects recombinant human TREM2 protein in Direct ELISA.                         |
| Immunogen               | Mouse myeloma cell line, NS0-derived human TREM2 His19-Ser174 Accession # Q9NZC2 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry                                                   |
| Recommended Dilutions       | Immunohistochemistry                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
