VEGFR2/KDR/Flk-1 Antibody (3319C) [PerCP]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | 3319C                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                            |
| Isotype                     | IgG                                                                                           |
| Conjugate                   | PerCP                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                    |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Rabbit                                                                                        |
| Gene ID                     | 3791                                                                                          |
| Species                     | Mouse                                                                                         |
| Specificity/Sensitivity     | Detects a synthetic peptide specific for mouse VEGFR2 around amino acid 1300 in Direct ELISA. |
| Immunogen                   | Synthetic Peptide<br>Accession # P35918                                                       |
| Product Application Details |                                                                                               |
| Applications                | Immunohistochemistry                                                                          |
| Recommended Dilutions       | Immunohistochemistry                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
