| Storage                     | Store at 4C in the dark.                                                                                                                                                               |
| Clonality                   | Monoclonal                                                                                                                                                                             |
| Clone                       | 199509                                                                                                                                                                                 |
| Preservative                | No Preservative                                                                                                                                                                        |
| Isotype                     | IgG1                                                                                                                                                                                   |
| Conjugate                   | HRP                                                                                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                                  |
| Gene ID                     | 4853                                                                                                                                                                                   |
| Gene Symbol                 | NOTCH2                                                                                                                                                                                 |
| Species                     | Rat                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects rat Notch-2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant rat Notch-1 or recombinant mouse Notch-3 is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant rat Notch-2 Leu26-Glu492<br>Accession # Q9QW30                                                                 |
| Product Application Details |                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                 |
