| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                              |
| Isotype                     | IgG2a                                                                                                                                                                                                           |
| Conjugate                   | DyLight 755                                                                                                                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                 |
| Host                        | Rat                                                                                                                                                                                                             |
| Gene ID                     | 51330                                                                                                                                                                                                           |
| Gene Symbol                 | TNFRSF12A                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects human TWEAK R/TNFRSF12 in direct ELISAs and Western blots. Shows approximately 40% cross-reactivity with recombinant mouse TWEAK R and no cross-reactivity with recombinant human (rh) OPG or rhTNF RI. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human TWEAK R/TNFRSF12<br>Glu28-Trp79<br>Accession # Q9NP84.1                                                                                                               |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                          |
